### WTC Tech Talk - Tech Skills for Today's Market: What eBay and other Industry Leaders Need from Their Technologists

Women Tech Council is pleased to present the WTC Tech Talk - Tech Skills for Today's Market: What eBay and other Industry Leaders Need from Their Technologists, on January 28th at Noon hosted by Neumont University. Lunch will be provided.

Please join us as [Jay Hanson](#), Vice President of Product Development at eBay and [Aaron Reed](#), Vice President of Employer Relations at Neumont University discuss what companies are looking for in their employees and how you can identify and develop the skill set needed by today's technology workers.

Neumont University  
10701 South River Front  
South Jordan, Utah  
Room #300  
Luncheon and Speakers  
\$15 per person
