The Women Tech Council was founded in 2007 and has quickly become the premier association for women who work for high-tech companies or in technology positions. You won't want to miss the unique opportunity to network with other women and learn from a great entrepreneur.

If you haven't already become a member of the Women Tech Council you can sign up using this link:

<http://www.womentechcouncil.org/becomeamember.html> it is free to become a member through 2008.

We look forward at seeing you at the event.

Sincerely,
Women Tech Council Board
